

# MURRAY BRIDGE SHOW

## Accessibility Guide

### Parking

Disabled parking can be accessed easily via gate 2 of the venue.

### Accessible Toilets

There are accessible bathroom facilities located both inside and outside.

### Getting Around

The new layout for this year provides easy access with wide walkways inside the trade and exhibition halls, outside amongst trade vendors, and within the large open food court area.

### Sensory Hour

2023 sees the introduction of a sensory hour on Saturday the 23rd of September, from 10:00am - 11:00am.

### Entertainment

The Show Stage is raised to enable clear visibility from the ground, and roving entertainers ensure all visitors can engage in the fun!

The Murray Bridge Show has a long-standing commitment to promoting inclusivity. The venue is situated on relatively even terrain with no stairs, promoting accessibility for all. Seating has been increased to accommodate for those needing frequent rest stops during their visit to the show.
